

URGENT...SECOND ROUND!

Tell Your Representative:

- ✓ Please support Assembly Member Mullins' Budget Request for 4.1 million for Deaf Access Program (DAP)
- ✓ DAP funding has been reduced in the last 15 years and the program faces further cuts in fiscal year 2018-2019
- ✓ As a Deaf person I face barriers every day to get services, find a job, keep a job, get medical services, or get an education. DAP services help break down the barriers.
